

Caroma Dorf and Green Plumbers International Pty Ltd
“Upgrade to a Smartflush toilet suite and SAVE!”
Consumer Promotion - Sydney Metro
October - December 31st 2007

Terms and Conditions: (appearing on flyer)

*Conditions apply. Prices for the three Caroma Smartflush® toilet suites (white only S or P trap) are based on supply and standard installation in metropolitan Sydney only. Non standard installations may incur additional charges. For comprehensive terms and conditions please call 1300 368 519, or visit www.greenplumbers.com.au.

Comprehensive Terms and Conditions: (appearing on Green Plumbers website and copies available for call centre staff and Green Plumbers)

Prices for the three Caroma Smartflush® toilet suites (white only - S or P trap) are based on standard installation in metropolitan Sydney only. Payment will be required on completion of installation. Cash or credit cards accepted. Offer limited to homes within metropolitan Sydney as defined by GreenPlumbers.

The promotion is restricted to purchases by consumers for a limited time only and expires 31st December 2007. Trade quantities do not apply.

Installation does not include: tile repair, painting, plastering, replacing or installing mortar bed for pans (P traps), altering or replacing collars, replacement or repair of stop tap, waste or water pipes. New cistern and pan may not cover the foot print of old system so any repairs and maintenance to the floor or wall is not included in the installation price. The floor and wall must be in good condition prior to installation. We reserve the right to requote on full site inspection.

For standard installation water connections must be located bottom right below 350mm from floor level, and waste centre must be within specified tolerances. The normal minimum drain line grade requirements as specified in AS/NZS 3500.2 are required. Installation includes removal and disposal of old cistern and pan.
